Reproduced from the form in N.J.S.A. 2A:44A-11(c), and one thing about this sheet has to be said plainly. Both publishers of the section print it with most of its blanks missing, so the blanks were put back rather than transcribed. Every one of them was copied from the identical sentence in 2A:44A-8, which is the same act and in two places the same words: the block, lot and municipality sentence is 2A:44A-8 item 1, and the county clerk recording sentence is 2A:44A-8 item 5, both printed there with their blanks. The statute asks for substantially the following form, and a form with nowhere to write the block and lot is not substantially anything. Nothing else on the sheet was touched and no wording was added, removed or changed. This is not legal advice.
